

FDIS West Region / Fairmed, Inc.

The last reason we want you to do business with us is because we are a DVBE. We don't want a handout - we want a hand-up...

Robert W. Fair, President/CEO

Credit Card Processing – Merchant Accounts

First Data Independent Sales (FDIS) uses First Data's processing engine

www.fairmed.com // www.firstdata.com

DVBE/CPUC Certification #1238360

- First Data sells *only* through authorized agents. At FDIS we make it easy, fast and secure for individuals and businesses to buy goods and services using virtually any form of payment.
- First Data is a global technology and payments processing leader, serving more than 6 million merchant locations, thousands of card issuers and millions of consumers worldwide. FDIS has more than 400 independent sales offices across the country that are ready to serve your needs.
- NOTE: FDIS West Region is the only DVBE in the FDIS Agent network.

TransArmour – a First Data *exclusive*...

- Reduces risk to brand reputation
- Warranty protection on the token value
- Reduces the burden of protecting cardholder data
- PCI is locking your front door—TransArmor is adding a deadbolt, setting the alarm system and adding bars on the windows
- Reduces/eliminates the costs associated with a breach

Move Your **DVBE** Spend Meter

If your company's goal is to increase your DVBE Spend, then part of the challenge is finding a Prime or Tier Two DVBE that provides enough service, and therefore a net diversity dollar expenditure, to *move the needle*...

FDIS West Region/Fairmed, Inc. – a certified DVBE – is pleased to offer a unique tool: a formula for calculating your DVBE spend. Simply take your current **Visa® MasterCard® Discover®** processing volume received through your website and/or at point-of-sales (POS) and multiply that dollar amount by 1.7 percent (which is the *cost-of-goods* in merchant processing) and then add a little profit for the DVBE.

FDIS West Region

DVBE SPEND FORMULA: Visa® MasterCard® Discover® processing dollars X 1.7% = DVBE SPEND
